Training	VDR /SVDR APT Procedure E-Learning
Models	JCY-1900/1950
Target group	Service Engineers
Location	Online via e-learning
Price	$175.00 - per person

DESCRIPTION
This training examines the procedure of the Annual Performance Test of JRC's Voyage Data Recorders JCY-1900/1950.

ENTRY REQUIREMENTS
- Service engineer is in the possession of (S)-VDR JCY-1900/1950 certificate
- Employer of the service engineer must have a valid, signed high seas dealer agreement with JRC-Americas
- Service engineer must be employed at dealer office in the JRC-Americas support area
- Basic knowledge of Windows
- Understanding of industry standards IEC61162-1 and IEC61162-2
- Advanced understanding of maritime navigation equipment, onboard command & control, engine management and alarm systems
- Service engineer is recommended to have at least one year of field experience

APPLICATION
The engineer can apply for this e-learning by registration on the JRC website.

Please note that it is important to fill in the personal work e-mail address of the engineer. We can use an e-mail address only once for one account in our portal so when you would like to register more engineers now or in the future for our e-learning modules, it will not be possible with the same e-mail address.

CURRICULUM
- Procedure Annual Performance Test (APT)

CERTIFICATION
The e-learning portal will issue a Certificate or Achievement when the engineer completes the e-learning succesfully. This is not an official (S)-VDR certificate.

In case of renewal of your (S)-VDR JCY-1900/1950 certificate, your JRC office will re-issue your VDR certificate and send it to you by e-mail.
